Story Warriors Unite

404 61 26

Chapter 1 by Jayde Avalon

It was finally coming--Story Wars' 5-year anniversary. Joakim had planned a large gathering in Lebanon, KS, right smack in the middle of the US. All members of Story Wars were invited, and as far as anyone could tell, all members of StoryWars attended. It was incredible.

Joakim began with a thank-you and appreciation speech to all Story Warriors, and the other moderators at the time, Phantim and SaintSayaka, each gave a brief speech thanking Joakim for his generosity and thanking the other Story Warriors for their participation and openness to others.

After the speeches, a figure in a simple black silk dress with gold detailing and a pale gold wrap wove her way through the crowd, head down, looking for those she knew while trying desperately not to be noticed. /"Why the heck did I dress like this?/ She silently chided herself. /Next thing I know.../

"Hey! You're Jayde, aren't you?"

She turned to look at her addressor. He was tall with long black hair and makeup. Jayde gasped.

/"Vlad?!"

g soon

They soon found Tim at the refreshments bar, talking to an adorable little Asian girl. He turned and smiled when he saw Jayde and Vlad, and introduced the girl as Kawiie.

They had hardly set on their way back to the stage, arm-in-arm with Jayde between the two boys, when a commotion off to the right caught their attention. A fight had broken out.

"Is that.../NPC?/" Jayde exclaimed incredulously. "Who is that other one?"

Tim shook his head at the brawling men. "That's Intellikat."

Chapter 2 by Phantim

"Well, aren't you gonna go moderate?" Jayde asked Tim mockingly.

Tim flexed his muscles and winked, "Not a bad idea actually..."

"I wanna fight too!" Vlad said enthusiastically.

"I'm not sure I wanna watch this..." Kawiie said shyly.

"Ah, let em fight..." another voice called. The group looked around wondering where it had come from, when Tim noticed a figure sitting at a nearby table, fiddling with a Rubik's cube.

"Ah, Esoteric... It's gotta be. Always took you for more of a pacifist." Tim said a bit smugly.

Eso looked up from his now completed cube puzzle. "Is this not, passive enough for you?" he asked darkly.

"But, hold on Tim. How can that be Intellikat, isn't he like... a real cat?" Jayde asked.

"Wow, it's true what they say about homeschoolers, haha!" Vlad chided sarcastically.

"Anyway... wish we had some popcorn to watch this fight...."

Once they get to the fight, they see the two men, dirtied and slightly bloody, in hand-to-hand combat, standing as if they are beginning a wrestling match. All of a sudden, they fly downward, and Intellikat is poised above NPC. He kicks and gets out, rising to take control. He lunges at Intellikat, starting a flurry of fists, feet, and bodies. Jayde flinches with every hit, just as if she were experiencing it herself. Tim appears to lean in, focused intently on the action. A smile begins to spread across Vlad's face as time goes on.

In a short time, NPC was again pinned down under the might of Intellikat, who begins to punch him repeatedly. Every hit made him slip more and more into unconsciousness. He raised his fist for the final blow.

BAM!!!

Intellikat falls to the ground with one swift blow. Standing beside him, a heavily breathing Jayde stands before the group. They all stare at her, in absolute shock of what just happened. Kawiie and Eso walk up from behind, hands intertwined, trying to take in the scene before them.

When he finally stops staring with his mouth agape, Tim stammers out, "Where did you learn that?" Jayde looks at him with a slightly smug grin.

"Homeschool."

Chapter 4 by Brock Thompson

"Wow, that was badass," A voice from the crowd says calmly. A path is cleared as a young man wearing a tuxedo and a snapback walks to the small clearing in which the violence took place. On his sleeve he wears a patch depicting a very happy green face. This is his Story Wars icon.

The stranger arrives in front of the bloody scene and bows.

"Brock Thompson at your service," Brock says in a loud, bold voice so that everyone can hear him, "And these are my friends, Aaron and Andrew Hartmann."

"We'd like you to come to the ceremony with us," Andrew said, looking at the group of protagonists.

"Well, sure," Esoteric agreed cheerily.

Aaron smiled. "Great! C'mon," Aaron, Andrew, and Brock simultaneously turned on a dime and started to head in the direction of the ceremony. Jayde, Esoteric, Tim, Vlad, Kawiie, Intellikat, and NPC followed.

Chapter 5 by Lex

Lady Saint Sayaka was the next to arrive, beautiful as always in a flowing gown and just radiating beauty, followed by LightningStrikesHannah and Cat4055.

Both girls following behind elegantly, but Cat couldn't stop fighting her dress because although it was nice, she hated how poofy it was and since it was strapless it kept slipping. She kept constantly pulling it up and grumbling something about how much she hated dresses. Hannah on the other hand simply smiled and kept to herself as she followed behind Ms. Sayaka and waved at everyone.

Chapter 6 by Phantim

While waving at everyone though, Hannah didn't didn't pay enough attention to where she was going and bumped into a young blonde girl. Her tea spilled everywhere including on the poor girl's pink dress and white garter. The girl looked like she was about to cry.

"Th-that tea was for.. Ph-phantim..." she said with a whine.

"Oh sorry," Hannah said not really caring. Still she bent over to help pick up the tea cups she had not down. As she did she felt the girl's warm breath in her ear as she whispered "You've made me all wet you naughty girl."

She looked up and the girl was back to picking up the cup with an innocent look on her face. Hannah almost said something but she just smiled and laughed.

Up on the stage there was a young girl wearing a pair of pink panties on her face like a mask, and nothing but a thin bed sheet for clothing...

"Ahahaha! Listen to me fellow writers! We must stop the censorship on StoryWars! Let the words flow without control! What is the world without pervy humor!? I love to say naughty words! COCK! CUNT! PUSSY! ANAL ORGY!! AHAHAHAHAHA---" she is interrupted by Jayde karate chopping her in the head. Jayde then begins crying and falls down off the stage trying to claw at her ears...

"Too many naughty words..." she kept mumbling to her self.

"L-O-L, this party is a freaking hoot," the now bruised Intellikat says from the side lines.

Joakim quickly runs up onto the stage and prys the microphone from the now unconscious girl's hands. "Ahem... testing... testing! Sorry everyone! That is not the main event. Now, if I could get my two moderators... Phantim... Sayaka... to remove the body, we can get on with the presentation!"

There is awkward silence, but then everyone starts to applaud. I mean, that is what you do in that situation... right?

Chapter 7 by Phantim

Moments later the little blond girl returns with more hot tea. She holds one out to Phantim. "Did I miss anything?" she asks.

"Oh, hey Strawberry baby!" Phantim gives a small hug and takes the tea. "You've only missed everything so far. Intellikat fight, Eso being mean, Jayde-jitsu, and an anti-censorship pervert. This was definitely worth the travel costs."

"Oh, that seems nice. Too bad /someone/ knocked over my tea earlier," she glared at Hannah.

"Hey while Joakim sets up the big finale, do you guys recognize anyone else from chat? I mean there is a ton of people here, and I rely on you guys for help!" Aaron asked.

"Dude, Cat!" they heard someone yell.

"What Tassa?" Cat yelled back.

"Who's that?" Aaron asked

"Don't know," Phantim said

They saw Cat4055 make you way through the crowd to the girl that had yelled at her. The girl that Cat4055 had called Tassa was jumping up ad down excitedly.

"What?" Cat4055 asked, "I don't have all day."

Tassa whispered in her ear, Cat4055's eyes widened a bit, "Really?" she said, sounding a bit bored

"Yep, deal with it," Tassa said

"I don't recognize her," Aaron said

"Me neither," Phantim said, "Cat4055!" he said, coming over

"Yo," Cat4055 said

Phantim nodded at Tassa, "Who's that?"

"Oh, that's gmatassa8714. If you don't recognize her, her nickname is Soccergirl." Cat4055 explained

"Oh," Phantim said

"Sup," gmatassa8714 said

"Hi," Phantim said

Chapter 9 by Aaron Hartmann

It is several lasting hours later and Aaron, Andrew, Brock, and Ryan are sitting at a table talking about Boy Scouts. Aaron, Andrew, and Brock are telling him how awesome there scout camp is.

Joakim, Phantim, and SaintSayaka are standing on the stage talking to each other of how they can improve Story Wars.

Jayde walks over to the Boy Scouts and speaks up, "I think I'm going to get going. It is awesome to see you guys in person."

"You too," Aaron and Andrew say in unison. Andrew looks at Aaron and punches him in the arm.

Brock checks his watch and stands up, "Come on Aaron and Andrew, the bus back to Wisconsin is leaving in 15 minutes!"

Joakim walks up behind them, "Aww, you guys have to take the bus? I got better plans, follow me." He turns around and starts walking towards the back door. When they get outside they see a helicopter.

"Awesome!" Brock yells enthusiastically. They all look at each other in amazement.

"Yeah, This is what I bought from all the money from Classroom, pretty sweet, right?" Joakim says coolly.

"Yeah," Aaron says starting towards the door. They all get in and have humongous smiles on their faces. The propellers start to turn and starts to take off. Jayde and Ryan are standing waving at the leaving helicopter.

Phantim leans out of the door of the building, "Hey guys, we're going to finish up the party with a toast, com on in." Jayde and Ryan walk in the building and see everyone, or at least everyone that's left, standing in a circle.

Phantim taps his glass and raises it up. "Another thank you for everyone who showed up, and another thanks for helping clean up. I hope to see you all next year." Little did he know that they would be seeing each other soon enough. (Check out *SWU II--World War S*)
